

Pharmacy, Health & Beauty Retail

Stock, secure and sell essentials

AVAILABLE

Keep essential items on-shelf for customers when they need them.

SECURE

Innovative product protection that is easy to use and tough to defeat.

CONVENIENT

Streamline services to optimize the customer experience from pick up to check out.

Keep your products secure and your customers engaged.

Our recommended solutions for Pharmacy, Health & Beauty retailers are designed for InVue's OneKEY ecosystem - a storewide, single-key solution that increases profits, decreases theft and promotes associate safety.

Hanging Merchandise

Easy to use. Tough to defeat.

T1000

A simple push of a button dispenses one package at a time, and a five-second delay deters thieves from sweeping.

STOPLOK

A cost-effective solution that can be used on standard hooks or with the InVue Locking Hook base.

LOCKING HOOKS

The locking collar secures hooks to provide a high level of security for hanging merchandise and premium accessories.

Packaged Merchandise

Fully visible, fully secure.

SAFER

Keep merchandise fully visible and fully secure, with the ability to layer onto locking hooks for extra protection.

CABLE LOCK

Provides quick and easy installation with an audible "chirp" when armed that cannot be defeated by magnets.

PACKAGE WRAP

Protecting a wide range of boxed merchandise, a simple push-to-arm and twist-to-tighten design makes it simple and easy to use.

Locked Access

Secured with confidence.

SMART LOCKS

InVue's smart locks strengthen protection and track access to merchandise kept in cabinets and drawers.

Readily available products and service throughout the store.

OSA SENSOR

Quick set up and continuous visibility provides retailers with accurate availability management for the most important SKUs, delivering real-time alerts when shelves are empty so that you never miss a sale.

POINT-OF-SALE SOLUTIONS

InVue's point-of-sale solutions provide endless engagement opportunities to deliver meaningful and convenient customer transactions. From tablet protection and device interaction to mobile or static payment deployments, InVue's portfolio can be instantly installed or configured to suit any environment.

NE360

A truly mobile point of sale system that provides complete freedom to choose any payment device, handheld, tablet or operating system.

CT80 & CT150

Portable all-in-one kiosk and tablet solution with integrated charging and rapid mobility.

CT101

Rugged all-metal stand delivers power, security and mobility — ideal for high-speed environments.
